Carrie was the coolest cousin in the world. We could hardly sleep the night before we left Vegas for Hawaii because we were sooooo excited to see her!! We all looked up to her, she was so pretty and fun and popular...she had so many friends, she was a cheerleader, a beautiful hula dancer and she was just a great friend. I love you and miss you cuz!!!! Paris

My Dearest Carrie, My sister, my cuz, my cherished friend. I miss you so much and will forever hold all the wonderful memories we shared. You will always be an amazing woman to me and an inspiration in my life. This earth has lost a bright shining beautiful star, but her light continues to shine. There are not enough words to express the loss the family is feeling right now. When I think of your smile, I smile. I thought we had many more years to laugh and celebrate life together. I am so happy we laughed hard and you lived life to the fullest. Aloha my dear cousin~Tanya##imported-begin##Tanya##imported-end##

Carrie was my cousin, sister, a true comrade in my life. The memories of all the fun we shared over the years will remain in my heart. The time we spent together in Hawaii and the mainland were phenomenal. Carrie's light will continue to shine on in her family and friends...especially her precious daughter Aubrey. I feel honored to have spent such amazing time with my cousin and for all the love she gave me. I'll never forget her laugh or her beautiful smile. My dearest Carrie, I found this poem and although words cannot express how much I love and miss you, this poem says what my heart feels. Thank you for being such an amazing friend. I will lock all those great memories away and I will have you forever in my heart. Ahui Hou, Until we meet again...Forever in our Hearts A million times we needed you, A million times we cried, If love alone would have saved you, You would of never died. In life we loved you dearly, In death we love you still, In our hearts you hold a place, No one can ever fill. A light from our household is gone, A voice from our love is stilled, A place in our vacant home, Which never can be filled. Some may think you are forgotten, Though on earth you are no more, But in our memory you are with us, As you always were before. It broke our hearts to lose you, But you did not go alone, A part of us went with you, The day God called you home. Your precious memories are for keepsakes, with which we never part, God has you safely in his keeping, But we have you forever in our hearts##imported-begin##Barbara##imported-end##
