I did not have the pleasure of knowing Mr. Terry personally, but one of his lovely daughters is a dear friend of mine. Through Elaine, and all she said about her dad, I felt as though I knew him. Mr. Terry was born in an area of SW Missouri that I am very fond of, and from where both my own father and mother were born. That automatically made Mr. Terry a kindred spirit of mine My husband and I send our deepest condolences and continuing prayers to Elaine, her mother, sister, and all extended family and friends.
