“ Dear Hanaoka family,
We were saddened to hear of this recent loss of Allen, Jr. We have many memories of him during our growing up years and recall some of the fun that we had during our family reunions.

Though it has been many years since we had seen 'Allen Boy' we will remember him as a fun-loving person. Our deepest sympathy to you all. May you find comfort in remembering Allen Boy.

“ With caring thoughts...although I met Allen only a few times he made an impression on me. Quiet but effective. Though it's hard to see the reason why things happen as they do, may it comfort you to know that loving thoughts go out to you. In deepest sympathy.

“ Allen will be missed greatly. He was such a blessing to have him
as my friend. He was always there to listen and be
nonjudgemental. I still remember how much he loved to sing,
and talk about his family, especially his daughters. I was there
for him when going through a difficult time in his life , despite
what he was going through , he always had so much strength,
hope, and love. He will never be forgotten.

“ My family and I celebrate the life of Allen Boy by the recollections
of the moments we shared together. May our father with his divine
power and glory bestow comfort and give strength to the family
and to rejoice in the following: For God so Loved the World that he
gave his only begotten Son that whosoever believeth in Him shall
not perish But have Everlasting Life (John 3:16)

“ I lived to know him and love him and now I live to also miss him.

God please give us the strength to carry on and heal ourselves now that he is with you Lord.

Aunty and Uncle I am sorry you have to experience this great loss which is far more painful then death itself. Words cannot express my feelings and thoughts to you.

Barrie and Chantil. I do not recall him ever saying a bad word about his sisters. He really loved and respected both of you.

Allysa, Allyson, Ashlen, Alexis. Your father adored you all more than anything in this world. I am so sorry this has happened at such a young age for all of you. He tried his best to stay with you as long as he could. He did not choose this time to leave you. He did not have a choice because god wanted him.

Grandma Lilly I am sorry that you have to witness the death of your grandson. Keep healthy and god bless you. Allen Boy is visiting with his grandpa now in heaven and they are smiling down upon you. The main thing is you keep healthy now for all of us who love you here.

Cindy I thank you for bringing so much joy into his life. He really was happy to be with you and I am sure he loved you dearly. Take care and god bless you.
