“ Doing my taxes will never be the same without Ernie around to guide me. I don't think I ever filed on time, but he always made sure my extensions were done in a timely manner, so my penalties were minimum. His professionalism was only second to his honesty. I'll miss his organization skills in getting my taxes filed, but more so our "annual" talks! My prayers go out to his family.

“ Ernie was a friend and family member from my Dad's generation who had talents that he personally developed. Great spear fisherman and bow & arrow hunter. His friendly smile will truly be missed.

“ Ernie was a friend for over 43 years and he did my taxes over 43 years. We always looked forward to tax season when we would sit down and find out what we did over the 12 months since the last tax return. I will miss him as a dear friend since we were in the Chinese Jaycees in the 70's.... My condolences to his family and thank-you Harriet for letting me know of Ernie's passing.
