Comments

“ Gloria Pascual Rogel was the fifth child of seven, the second daughter of Victoriano Pascual and Adela Domingo Pascual of Laoag City, Ilocos Norte, Philippines.

In spite of her being born pre-maturely at seven month, she lived longer than her father, who lived to be 93; longer than her mother, who lived to be 92; and many years longer than any of her four brothers and two sisters.

She was a beloved aunt, who continued to keep in touch with relatives on Kaua`i for many years after she and her family moved to Honolulu. She called her relatives on Kaua`i often until she became a resident of a care home.

At 99, it's time for Auntie Glory to be re-united with Uncle Bodoy, Alex, her parents, her brothers and sisters, and other close relatives. May she rest in peace in their company.

“ "A beloved Aunty, who with her photographer husband, Uncle Bodoy, attended many family events including our 25th Wedding anniversary in 1988 on Kauai; our daughter's high school graduation celebration in Kahuku; our parent's 50th Wedding anniversary on Kauai. She would send picture albums of all the events which Uncle Bodoy captured with his camera.

Aunty Glory was petite but a true dynamite. When she migrated to Kauai alone, she made a bucket list and her many goals included finding a job immediately, saving her salary to bring the rest of her family to Hawaii. She accomplished them all.

She will always live in our hearts. According to cousin Mel, Aunty accepted the Lord to be her Savior. She has a glorious heavenly mansion reserved for her.

“ My mom is the one who brought the whole family in the US. Without her pursuant to come to the US, we will not have a better life. Thank you Mom for giving us the opportunity to migrate in the United States. We Love you. Till we meet again
