“ Leo was always so very kind to me. As a little girl he made me laugh. I always thought he was so handsome. I have not seen him since I was very young and would have love to have known him as an adult. My heart and prayers are with his wife, children and grand babies. Also, with his sisters who I know will feel his loss. What a great reunion you had to have in Heaven Leo.

“ Mr. Oller was a quiet yet powerful person. Growing up around him, he was always quick with a one liner and plentiful with his guidance.

As kids when we would get in trouble, it's like he had this old school wisdom that knew boys were mischievous yet good hearted.

He never held our failures against us and more so, he was a quiet mentor with his ever stable demeanor.

His loss is sudden and deeply felt by all that knew him, loved him, and as a kid....kinda feared him.

You will be missed but always kept alive in the stories you became such a part of in the childhood of many.

Now hit the 18 holes in the cosmic course.

Respectfully,

David Casler
