“ Sending my thoughts and prayers to the Rodrigues Family. I have so many memories of Mrs. Rodrigues, growing up when she chaperoned us on field trips and choir performances, how much fun it was to be in her car. Always a caring giving person. When I was a student nurse at Queens seeing her there at the information desk on my first day her giving me directions to the floor I was assigned to just made me feel so much better she took away some of those butterflies that first day there. She always had a smile on her face. And just the other day I was thinking about her apple strudel, Ingrid brought that to school for pot lucks it was so delicious.<br>May it bring comfort to know that our memories will go on for ever.... <br><br>P.O.
