

Sherrie Kimiko Migdol

July 7, 1976 - May 11, 2022

Sherrie Kimiko (Okunami) Migdol passed away on May 11, 2022 after a long and brave fight with an illness. She was born in Hilo, Hawai`i on July 7, 1976 to Herbert Okunami and Christine Okuhama. She graduated from Waiakea High School in 1994, then moved to O`ahu, where she worked as a restaurant server while putting herself through nursing school. Sherrie graduated from Hawai`i Pacific University with her Bachelor of Science in Nursing in 2005. She started working at Straub Medical Center in 2006, initially working in oncology, then telemetry, then pre-op and post-op, and finally in patient safety & quality. Her coworkers recall how she would brighten their days and make them laugh when things were stressful.

Sherrie married Steve Migdol on November 6, 2011 after a brief engagement, and they were inseparable ever after. She loved hiking, going to the beach, stand-up paddleboarding, and traveling. She explored 30 countries on 6 continents, savoring mountain vistas, relaxing in European cafes, marveling at ancient architecture, and trying new cuisines.

Serving the community was important to Sherrie, and she volunteered with the National Kidney Foundation, Meals on Wheels and Our Kūpuna. Despite her illness, she continued working on her master's in health care delivery science at Arizona State University with the hope of being able to improve population health for our community.

The world is a little less bright without her in it. Besides her friends and colleagues, she will be deeply missed by her husband Steve, sister Laura Harada, brother Shayne Okuhama, and the rest of her family.

“ *Although we were co-workers for a short while, the precious time I spent with you was enough to build a long lasting friendship. Your infectious bright smile and positive attitude always seem to change a bad day for the better. You always have the heart to talk and listen to people's Joy and sadness. I will miss you soooooo much and I am so blessed that I have met you and called you my friend. You fought hard & strong, but may you Rest In Love. Until we meet again..Aloha my friend!!* 🌺

“ Cousin Sherrie,

I remember the summers we shared, playing at Grandma's, climbing the trees, and being so young and free. I cherish the recent memories we had, laughing and having a good time. Little did we know that would be one of the last. I'm so very grateful to have you in one of my fondest memories. You will be missed.
