“ *My deepest sympathy to James and Stanley , all the Uncle, Aunts and cousins and all the good friends Theresa had. She was such a special lady who will be deeply missed. A fond memory is of Theresa really wanting to go to a musical with Sesame street characters at the Blaisdell. No I said , "that is for kids. No, but she really wanted to go, so I said okay, but only for you, and off we went. It was beautiful with all the costumes and all the kids were so happy when big bird came down off stage. Somehow, I truly was glad I went. I guess it was letting the kid inside of you out. :) I am much richer for having Theresa in my life and I won't ever forget her. She was truly loved.*

“ *Theresa I was a shopaholic and her favorite shopping mall was Pearlridge Shopping Center. She loved to eat chicken, sushi and poki. Once she helped kill a cane spider that was in my bedroom because I was terrified of cane spiders. She was the exact opposite of me-a calm and relaxed person who seldom worried. She was sweet, good-natured and honest. She liked to go out. I will miss her dearly! May she find joy and peace in heaven with our Lord Jesus, her mom and dad and all her loved ones. I love you Theresa, until we meet again...*
